

Brighton Contemporary

Residence 75 Ocean Drive, Lake Cathie

Brighton Contemporary - the Brighton is a spacious, contemporary 2 bedroom, 2 bathrooms home. The open plan kitchen/ dining and living area opens on to a courtyard designed for entertaining. The Brighton is a traditional design with a double lock-up garage with internal access. The oversized two-car garage at the front of the home means there is space for storage if you need it. The main bedroom has an ensuite and built-in robe, with one other bedroom and separate guest bathroom there is plenty of privacy for guests.
